

Let's agree together as the body of Christ on Earth!

Jesus said, "Again, I give you an eternal truth: If two of you agree to ask God for something in a symphony of prayer, my heavenly Father will do it for you." Matthew 18:19 TPT

Concerning us as individuals:

We close any doors in our lives where the enemy may have gained access; repenting as the Holy Spirit brings them to our remembrance. Satan, you are a defeated foe. We close the door on you. We bind you and cast off your chains of deception, distraction, unbelief, offense, unforgiveness, fear, conflict and temptation. We break your assignments on our lives. We cover ourselves in the blood of Jesus and forbid you to return to attack us in any of these ways.

Concerning our families:

Satan, we break your assignments against our marriages, our children and extended families. We cancel any and all legal rights that you have to work in our family because of the actions of past generations. We cover our families in the blood of Jesus Christ. We push back darkness and confusion and ask the Holy Spirit to open the eyes of understanding in our families that every family member will receive Jesus as Lord and Savior.

Concerning our neighborhoods:

As the body of Christ on Earth we take authority over all principalities and powers of darkness now operating in our neighborhoods. In the name of Jesus and by the power of His blood we de-throne you Satan and proclaim Jesus is Lord of all. His will be done in our neighborhoods as it is in Heaven. We cancel Satan's assignments upon our neighborhoods to kill, steal and destroy. We speak confusion into the enemy camp and cause them to fight one another. We break Satan's hold on those in our neighborhoods who are deceived into fighting against God's will and release the blazing light of the Gospel as revealed in our own lives before their very eyes. We break off blindness among our neighbors to the Gospel and request the Holy Spirit call the lost to seek God among His people, the church. We come against the lies being taught our children in our schools, the ungodly practice of abortion and the injustice being allowed in our courts. We loose a spirit of revival into our neighborhood churches to draw all men to receive the free gift of right standing with God (Romans 5:17).

Concerning our cities, states and country:

We stand together in prayerful support of those whom God has placed in governing authority to watch over us. We lift them up in their duties and ask you Father to impart to them the spirit of wisdom and understanding that they would discern and do what is right in your sight and reap your eternal reward. We come against the forces of darkness that seek to draw our leaders into selfish ambitions. We break the power of pride, lust and greed off of them in the name of Jesus.

Concerning the Covid19, world food and energy crisis:

We, Jesus' disciples, take authority over the plan of the enemy to poison people and to create an energy/food crisis to bring acceptance of a new world order. We break the willful collusion of government, enterprise and the media who hold the public unaware. We speak total confusion into the enemy's camp that will derail all the enemy's plans and cause them to backfire. We call for the truth to be made known. We further call for a great awakening among the body of believers – to stand up and take their God given position of authority on Earth. We ask Holy Spirit to accelerate all spiritual giftings and ministries. We ask these things in the name of Jesus.
